

## The Stockade Rafter "S" Building and Horse Stall System

The Rafter "S" System provides for a clean, open interior allowing unobstructed air flow, needed for proper ventilation requirements.

Tack rooms, feed rooms and wash racks can be designed to meet your individual or commercial requirements.

Standard grill color is brown or black. Optional colors available upon request.

Your Stockade Building is backed by one of the most comprehensive, written warranties in the industry today. This warranty covers your building on everything from its structural capabilities to the durability of the finished paint system.

Call 1-800-548-6765 for the Authorized Stockade Builder in your area.
